Tvl. CPF (India) Private Limited, F2, I Floor, No.40, 2nd Street,
Sparton Nagar, Mugappair East, Chennai-600 037 (TIN 33750861330),
registered dealers in the files of J.J. Nagar Assessment Circle have
preferred application in Form ‘VV’ and sought clarification under Section
48-A (1) of the Tamil Nadu Value Added Tax Act, 2006 (TNVAT

2. The applicant-dealers have sought for clarification for the rate of tax on "Chilled, Packed and Branded Chicken & Frozen, Packed and Branded Chicken". They have stated that their products are derived from live birds by removing skin, feathers and cutting into pieces and there is no addition of ingredients or marination etc.

3. The issue has been examined in detail with reference to the provisions of the TNVAT Act, 2006 and TNVAT Rules, 2007 and the related entries in all the Schedules to the TNVAT Act, 2006. Section 48-A of the TNVAT Act, 2006 provides for clarification on any point concerned with rate of tax for commodities.

4.1. Entry 54 of Part-B of the Fourth Schedule to the TNVAT Act 2006, reads as under:

"Meat, Fish including dry fish, prawn and other aquatic products (other than branded, processed and packed items), eggs, poultry and livestock (other than race horses)."

4.2. As per the above entry, Branded, Processed and Packed Items of Meat Fish including Dry Fish, Prawn and Aquatic products, Eggs, Poultry & Livestock are taxable. The wording Branded, Processed and Packed means meat as mentioned above are if processed and packed and sold in Brand Name alone will come under the taxable category. The Chilled meat are packed without any processing and hence Chilled, Packed and Branded meat or chicken are not taxable and will be covered under the entry 54 of Part B of Fourth Schedule to TNVAT Act, 2006.

4.3. The Meat, Poultry and Fish are marketed as

(i) Fresh cut and dressed animal and poultry meat and fish.

(ii) Cut, dressed, packed and chilled animal & poultry meat and fish—either branded or unbranded.

(iii) Cut, Frozen, Packed animal & poultry meat and fish—either branded or unbranded.

The first item-Fresh cut and dressed animal & poultry meat and fish are exempted as per Entry 54 of Part B of Fourth Schedule to TNVAT Act, 2006.

The Second item- Cut, dressed, packed and chilled animal & poultry meat and fish—either branded or unbranded are done for sake of hygiene, it is put in packages and stored in refrigeration temperature of 0 °C to -4 °C. It will have shelf life of 1 to 2 days
only. Hence it is nothing but fresh animal & poultry meat and eligible for exemption.

The Third Category is Cut, Frozen, Packed animal & poultry meat and fish are done in well-organized factory, having facility of "blast freezer", which brings down the cooling temperature of meat to -18 °C, in order to keep the animal & poultry meat and fish without microbial contamination. This will then be packed, transported and stored in refrigeration temperature and it will have shelf life of 6 months to 12 months and hence it is taxable at 5%.

5. In view of the above, it is clarified that

(1) "Chilled, Packed and Branded Chicken" is exempted from tax as per Entry 54 of Part-B of the Fourth Schedule to the TNGVAT Act, 2006.

(2) "Frozen, Packed, Branded Chicken" is taxable at 5% with effect from 12.07.2011 as per Entry 108 of Part B of the First Schedule to TNGVAT Act, 2006.

Dated this the Eighteenth day of June 2018.
