

GST data migration

The dealer data migration to GST portal is opened to dealers of Tamil Nadu from 1st January 2017. This will be available upto 15th January 2017. The provisional id and password have been sent to all the dealers through the registered e-mail and also dealers can get from the TSP portal when they login. The dealers may use facilitation centres made available in the Assessment Circles and District offices for this work.

After going through the Help File available in the GST Corner of TSP Portal, the dealers are requested to complete the Registration.

The dealers can also login directly to GST Portal using their Provisional id and password shared.

If the dealers face any problem can call the GST Call Centre No.0124-4688999 or Tamil Nadu Commercial Taxes Call Centre Toll Free No.1800 103 6751.

The dealers who have not received the Provisional id and password can contact their respective Assessment Circles for clarification.
