Sir/Madam,

 4. Finance(T&A-III) department letter no.1847572/T&A-III/2023, dated:17.12.2023.

At the outset the co-operation and support being rendered by your organization in operationalizing IFHRMS is hugely appreciated. Since, the state wide implementation of IFHRMS, the system has grown in manifolds over a period resulting in sizeable increase in concurrent users over and above the initial estimate. This apart, various departments are integrating their standalone software system with IFHRMS to enhance the efficiency in operation, prompting

the need to upgrade the IFHRMS infrastructure. As a result, Government have permitted to upgrade the IFHRMS by opting to move to the latest technology hardware (Oracle Exadata & PCA) with cross-platform migration of Oracle (Unix to Linux) and named the IFHRMS2.0 as "**Kalanjiyam**".

The IFHRMS 2.0 (Kalanjiyam) Tech-Refresh (KTR) is another milestone in implementing Integrated Financial Human Resources and Management System which will take scheme to the next level. The migration activities are planned during the 4th week of December 2023.

In this connection, we would like to bring your notice about the following key activities.

- i. The IFHRMS servers will be shut down from 22.12.2023 to 01.01.2024 for the migration activity and will be available for the usage from 02.01.2024.
- ii. The e-challan activities/ services of your portal which are integrated with IFHRMS will not be available from 23.12.2023 to 25.12.2023 and will be made available from 26.12.2023. Therefore, it is requested to plan your activities accordingly.

Hence, the support and cooperation of the banks is solicited for the successful migration activities.
